“ So many fond memories of cuz Bearsy (as my Dad always called him):at our little one room schoolhouse, his interactions with Pug and Dave as little tykes at Grandpa & Grandma's (what a hilarious trio they were), our talks whenever I'd return to Bloomfield --but most of all what I shall remember is how much he loved Teddi.

“ Heartfelt sympathies to Teddi, Carol, Sue, James and Diane (and Grandbabies!) I was always the 3rd wheel to Bear and Pug (affectionately known as Hermes after an announcer at a track meet could not pronounce Hrubes) in my youth. Many days spent in Uncle Jeff's shop, family fishing trips to Fort Peck and swimming at Kuester after harvest are imbedded in my memory. RIP Cuz!

“ When I was a sophomore in high school, I had to have a project. I decided my partner and I would taxidermy a rabbit. We needed a rabbit to stuff. So on the bus I asked Bear if he could get me a rabbit. That night he bagged a rabbit and delivered it to me the next day. He never asked for anything for doing it. He was just that kind of a cousin. There for you when you needed him.

Another memory was after Sandy and I were married and Bear and Gary were dubbed the earthlings by my dad. It is with fond memories that the earthlings were always fun to have around.
