“ Hello dear cousins: I will be thinking of all of you this week when you have your mom's final service. She was a wonderful and sweet aunt and now will be reunited with dear Uncle Swede. All my thoughts and prayers are with all of you. Love to all and thanks for sharing your parents with me. They will always have a special place in my heart.

“ So sorry to hear about Aunt Dode... I know how much she will be missed by all of you! I always loved spending time at your house when growing up. It was so fun as there was so much going on, and your Mom always made everyone feel so welcomed. She had a great sense of humor, infectious laugh and a way of taking all things in stride, no matter how many extra mouths there were to feed or beds she had to come up with.

“ Saddened to hear of Aunt Dode's passing. Her gentle spirit and unique giving heart was apparent to all. I know she will be dearly missed. We all were lucky to have known her. I will always remember her ability to juggle multiple tasks, many children and still have the time to include all with her special sparkle.

“ In this sad time of bereavement, my sympathy goes out not only to my cousins, but also to Aunt Dora Jean's siblings Kenny and Janet. I know Aunt Dode's passing is such a loss to all of you. She was a wonderful wife and mother, a loyal friend and sister, and a joy to all those with whom she came in contact. I, too, will miss her, knowing she is not in this world, but I am happy that she no longer has to deal with the worries of this world and is reunited with her parents, her four siblings, and her much beloved Russell. She was blessed and a blessing!

“ Dear Ann, Mike, Kay, Kevin, Danny and Mary,  
I am so sorry about your mother. We would all be very lucky people, though, if we could live as good a life as your mother lived. She was our cute Aunt Dode who faced everything with a little chuckle! We will miss both of your parents very much.  
Love, Linda

“ It was a delight getting to know your Mom over the past several weeks out at EMVH. She made a wonderful roommate for my Mother-in- Law and they seemed to enjoy each others company. We will miss her. Though we didn't know her for long, I am truly glad our paths crossed. May you be comforted in your memories and in each other. You were blessed to have her as your Mom.
