“ *I am sorry I am so late with this memory, but will always cherish the few short weeks I spent with Alyce in Alaska after high school. We had a lot of fun and her laugh was always so contagious. My family has known your family for so many years, and all those times our families hung out together will always be great memories. Alyce was always such a beautiful lady and will forever hold a place in my heart, even though I had not seen her for years. She truly was a special lady.*

“ *I have such fun and wonderful memories of Alyce as we worked at the Jordan Coffee Shop. She was a beautiful person inside and out and had such a contagious laugh. I heard that laugh early mornings as we worked the morning shifts serving all the “regulars”, tourists and “bus babies” together with Arlene, Cora, and Bobbie. Great memories of a special lady. God Bless Alyce, May you Rest In Peace.*
