

## Anne D. Hull

March 1, 1937 - July 3, 2017

Anne D. Hull, age 80, of Glendive, Montana, passed away on Monday, July 3, 2017 at the Glendive Medical Center Extended Care in Glendive. A memorial service will be held at 10:00 A.M. on Friday, July 21, 2017 at the Silha Funeral Home in Glendive. Interment will be held in Dawson County Cemetery. Silha Funeral Home of Glendive has been entrusted with the arrangements.

Anne was born in 1937 in Surrey, England, where she spent her early years. The daughter of William and Ellen, Anne went to school in Morden and Wimbledon, England where she met her future husband, Paul, in high school. They married in 1958. Anne is survived by her husband, seven children and twelve grandchildren.

In 1963, Anne and the Hull family moved from England to Malta. She and her family lived on the historic island until 1969, when the family moved to Iowa in the United States. Anne, Paul and their children lived in Iowa then Colorado and eventually settled in Glendive.

Anne loved Glendive and found true joy through her work with Action for Eastern Montana (as attested by the large number of thank you cards and invitations she received during and after her work with Action). Anne lit up when she spoke of “her kids” and felt her work as a mentor and advocate for youth in Eastern Montana was a true calling. She took special pleasure in her time with Native American youth in Lame Deer and neighboring communities. For several years, Anne attended Sacred Heart Catholic Church in Glendive where she served as a liturgist until her health began to fail. Anne was

affected by Alzheimer's and her health deteriorated quite suddenly and quickly.

Remembrances and condolences may be shared with the family at: [www.silhafuneralhomes.com](http://www.silhafuneralhomes.com)

“ I remember mom, as I was blessed to call her, watching our babies and just saying something like, "Don't you wonder how they reason things out? They don't have a language developed yet, but they must be thinking something. And isn't it marvelous how they do think things through?! It amazes me to see their little brains working!"

“ I had the pleasure of knowing Ann through Action for Eastern Montana when she worked with the Youth Employment and Training Program. When I worked at Gateway Youth Home she helped several of our boys with their beginning employment. To this day one of the youth who calls me often will relive the day that Anne called and told him she had a job for him! He was thrilled - jumping up and down with glee! Just a couple weeks ago he mentioned it again - changed his life! I also worked at Action after she had retired and knew I had some big shoes to fill! I worked with the people in Lame Deer who dearly loved her! A life well lived!

*Although she had a degree from England, Anne attended DCC for more training. In a speech class she gave a speech that the class found compelling. The subject was Anne's life as a child in England during World war II when the Germans bombed daily and were set to destroy the country. She was asked to repeat her impressive presentation as a fund raiser for the Friends of the (Public) Library. Once the event was announced, tickets quickly sold out. Glendive received a first person history lesson, FOL significantly boosted the treasury, and everyone who attended felt an extraordinary person was among us.*
