

## Arleen Ulrich

December 15, 1952 - October 29, 2020

Arleen M. Ulrich, 67, of Glendive, passed away Thursday, October 29th, after a long and courageous battle with cancer.

Arleen was born on December 15, 1952 in Glendive, the youngest of 5 children born to Gydion and Lydia (Gaub) Ulrich. She was raised in Glendive and graduated from DCHS with the class of 1971. She went to college in Billings and then came home and went to work in the Clerk's Office at DCHS on September 4, 1974. She was still employed at the time of her death and had worked for 46 years in the Glendive School System.

Arleen enjoyed family times of getting together for pizza, barbecues and to visit. She also enjoyed crocheting, and you could count on her for any and all occasions to give a handmade afghan, baby blanket or doily. These items were a treasure to all her nieces and nephews who received many of them. Whenever she rode with anyone to another destination, you could always count on her crocheting away in the back seat.

Arleen was preceded in death by her parents, her brother Duane and her sisters Kathleen (Kathy) Hodous and Wanda Ulrich.

She is survived by her sister LaDonna (Larry) Schlenz of Glendive, sister-in-law Nancy Ulrich of Richey, brother-in-law Jim Hodous of Billings, and several nieces and nephews. She will be missed deeply by her family.

Due to CoVid 19 and current family health issues, no funeral services are being planned. A private family burial service will be held at Dawson Memorial Cemetery.

The family would like to thank her neighbors Ben & Sharon for their care and watch over Arleen for the past many years, and also her co-worker Anne for her understanding and compassionate heart.

Remembrances and condolences may be shared with the family at: [www.silhafuneralhome.com](http://www.silhafuneralhome.com).

“ *Dear Ulrich Family and the many friends that Arleen and I had in common, I wanted to add my condolences to you all, Arleen was such a special and GREAT gal!!! When I think of high school and her - all I can think of is giggling! We were dedicated gigglers and I had the luck all through high school of always being in gym class with her - oh my, the bloomers! You just couldn't help but laugh at the ludicrous getup we had to wear IN FRONT OF PEOPLE!! I just smile when I think of her and will always feel happy when I hear her name or think of her smile. Blessings to you all!*

*Sincerely,*

“ What a warrior you were. You kicked cancers butt until you couldn't kick it no more. You were so courageous and strong. You were such a strong advocate and team player of the Glendive Community Cancer fund. Rip my friend. Fly with the angels. You certainly earned your wings.

“ Condolences to Arleen's family & Anne Sadorf. (You two shared alot!) Cherish all the fond memories as I know I will, the 20 years working with her at DCHS & when we could, the times we could get together to celebrate the same birthdays. She definitely was a fighter thru many years of health issues! She will truly be missed. RIP Arleen.
