“ *Arnold was a dear friend. He loved talking about being a cowboy and going back to Montana. I would buy him little plastic horse figures and always sit by him during the church services. He once said to me "I love you. I've loved you for a long long time" I smiled and said I love you too, even though we had only know each other for a couple weeks. I would take him in his wheel chair and go just sit in the shade outside. I am so glad he is now in heaven. God bless his family.*

“ I am so sad to hear that Arnie passed away. I preach out at the Vet's Home (though we haven't been able to go out there since March). Well, early in the year the norovirus outbreak prevented us from going and we had been gone for several weeks. Arnie didn't really say very much but I loved seeing him and saying hi to him. Anyway, when we returned after being gone for a couple of weeks due to norovirus, I went over to him and said, 'Arnie, I'm so glad to see you today.' And he replied, 'You! I know you! But you haven't been here in a long time. I missed you. I need you here. I love church. And you are here today. I'm Arnie.' I said, 'Yeah I know who you are. And I'm Darren. It is so good to spend my Sunday with you.' It was the most articulate he has ever been with me. And then during the songs I went over and stood near him and he held my hand for the first song. I had to let go to help the other people turn the pages but it was a really great moment. I have thought about him and the others a lot and I am sad that I haven't been able to go see all of my friends there. Arnie was very special to me and his family is in my prayers.

“ Arnie, I'm sad to see that you're gone. I guess I can stop carrying Tootsie Pops in my purse for you. They have been there since March when we had to stop holding the Sunday Evening Church Services at EMVH because of Covid. You were there faithfully and I will miss seeing you when this finally passes and we can resume, but I won't be needing the Tootsie Pops to keep you from getting restless. I shall always wonder if you came to church for the fellowship or the treat, maybe it was both. Rest in Peace, my Friend! Sincere condolences to your family.
