lives and quickly go...
Some stay for awhile and leave
foot prints on our hearts...
and we are never,
ever the same...

“ *Dear Deb and Mike*

I was so sorry to hear of your moms passing. I am honored to say that she was my friend for over 40 years. And we had many many good times and good laughs working at the bank. She was always open honest and to the point about work getting done to the best of her abilities which were quite high. She will be missed.

May God hold you in the palm of his hand now and always.

“ I worked with Bea at First Security Bank and she was my supervisor for many years. She was short and sassy and I loved working with her. I'm still in banking and think of her often. - Sheila Skillestad Grow Partyka
