“ To the family of Bernelda Selvig. I know that time has passed since she left this world for a better one, however, I just became aware of her passing. During her tenure at the Heritage on Merrill Avenue, I had the privilege of being one of the caregivers. Bernelda was a beautiful woman who always graced us with her many dresses that I am sure a good portion of them were of her own making. I always enjoyed her company when she would come to the dining area to see what I was preparing for the next meal and also enjoy a cookie with a nice hot cup of tea. I had the privilege of visiting with her and listening to her stories of her youth and of her family. One of my favorite memories of this lovely lady was of her youth. She was the eldest and had a significant role in the raising of her siblings as her mother was a wonderful seamstress and would travel frequently to provide her seamstress skills to those in need and she would be gone days and weeks at a time. When her mother was home, she was a piano teacher and Bernelda also learned to play. Many times I would watch Bernelda sit at the piano in the dining area and play a few notes as a melody seemed to return to her for a few moments. She smiled all the time and my life was truly blessed to have had the privilege to know her. May she rest in peace.
