“ *The whole family played a big part in my life (remembering going to Dale and Robin's wedding, visiting with Lisa at some beach property, making friends with both Don and Beverly) - quite a group. They all know how to live and it is very sad that Betty has passed away but I am confident that her beautiful qualities will live on in the remarkable family.*

“ *Betty will always be fondly remembered by all her nieces and nephews. (Even though she scared the "h_ _ _ _" out of us every now and than.) Her visits to Beach were eagerly anticipated as they always made everyone happy. Betty had a quality, a presence that made everyone feel better, an "aura" that touched all who met her that left them feeling good, happy. My daughter who only met Betty once, years ago, said it best when she learned of Betty's passing, " She was so nice."*
