“ *My Mom and I wanted to express our condolences and wanted you to know that we basically adopted her into our little family and thought very dearly of her. (We are Mabel's her roommate at GMC daughter and granddaughter). My mom often brought her chocolates which Betty devoured (smiles). She will be sorely missed, and we are thinking of you all. I know my grandma will surely miss her as they had become great friends.*

“ Sad news. Our condolences to Betty's family. She was very support of her children and her husband Stan as he spent many years providing excellent Agronomy products and services to members of the Farmers Union Oil Co (Cenex) of Dickinson. That family relationship is missed by many.
