“ *Bev and I were friends for most of our lives. I was so happy when she moved to Ollie! I finally had a friend my own age. In fact, we were only 14 days apart. We were the best of friends. We made a lot of mud pies together - I still maintain mine tasted better. I'm so sorry for your loss. Myrtle (Hudson) Stanhope, Baker MT.*

“ I think of the hours Bev sat in her window watching Brad build his ramps and then put on his cape and go as fast as he could and go over the ramps looking back to see how far his cape was flying out behind him. Bev said she was going to miss that when she moved to her new house. However I got to watch Wade's kids do that (minus the cape) when they moved in. Brad and Angie were always selling wagons full of whatever, sometimes bags of dirt, and Bev was always a trooper at buying some of it. She will be missed.

“ The world will be less bright without the laughter and a smile from Beva Sue!!!! Many times she made the work day go better with her humor and words of encouragement. She had a lot of compassion for the HOTR residents and also the staff that she worked with. Beva Sue had a big heart and I will dearly miss hearing her call me Laure Beth. Her smile, and laugh we will always be remembered. She gave Jay his nick name "BooBoo" which has stuck to this very day, each of his nieces and nephews call him Uncle Boo and Jen's middle name was chosen because of your mom. she was in the delivery room when she was born. “ I remember as a small child I would spend my summers at your Grandma and Grandpa Bury's and Irene would make me dresses. I would help her watch Lance and Lane as your Mom was in having Wayne. That was lots of fun for me in the summertime and after I grew up there were a few times I stopped to visit your Mom in her home in Beach. She always had a smile on her face and was so very glad to see us. My father always had a special place in his heart for Beverly. As she was his first niece. God's Peace to all of you at this time. Sending our heartfelt sympathies to the Remillong families on the loss of your precious Mom. She will certainly be missed by many. She gave the best hugs and always made us feel right at home whenever we visited her over in Beach or at the NH. She loved to visit and to share her baked goods whenever we visited. JC and her were busy talking about "good" books they have read enjoying their quality time together. JC gained a lot of knowledge from your Mom ore the past few months and spent some precious one on one time with her that she'll cherish for ever. I feel honored that I got to know such a special lady thru her kids and to share quality time with her also. Rest in peace Bev, you are and will be missed. We love you precious lady, gone to soon but not forgotten!! Love prayers and hugs to your children and family may God bless them at this time and comfort them in the days ahead.
