Sending prayers and special thoughts to all your family Bonnie. You will truly missed. You probably have already got a pinochle card club started.

“ *Kim and family,
My thoughts and prayers are with you all. Bonnie held a special place in my heart, from remembering her in church to her putting up with our shenanigans in while we were in school together to her being one of my first employers. There was always a smile on her face when I would see her and she always had time for a visit to see how things were going. I am happy that she is at peace and no longer in pain, but she will be missed.

“ My thoughts and prayers are with you during this sad time for you. Bonnie and I had many good visits and fun card games when she came to Wessington Springs. She was quite the card player...definitely took after the Christensen side of the family. She was always looking for a new adventure and never let anything stop her. Thinking of others was definitely one of her many gifts. I will miss her visits.

Take care!

Love,

Cousin Renee in SD
