“ *Hi to Brad family. My name is Mary and I was Brad's neighbor for about a year. He was always such a gentleman kind-hearted and I treated him with the same respect I give my own children. I'm old enough to be his mother and we shared each others tears and laughter until he had to leave. I just wanted you to know that I had just found out about him and wanted you to know that he was the wonderful person. My prayers go out to you and your family and the tears that I cry are tears of joy for him. I know he's up there looking down on us and for that I feel blessed*

“ Michelle, Jason and Brad's family: We watched you two boys grow up across the street from us. We saw you go hunting, fishing, climbing through the hills, have family get togethers and have as much fun as brother's do. Those are the memories to hang onto. Brad was a great guy. Remember THAT.
