“ *Betty, Sharon, Pearl, Mark and Michelle and families
Please know that you all are in my thoughts and prayers today and in the difficult days to follow. I have great memories of Clem back in the days I ran around with Sharon and Pearl. That was about the time he worked in Alaska and when he came home we got by with way more than when he was gone. Fun times.
Love and sympathy to all

“ Jeremy, My condolences on the passing of your grandfather and
your father as well. It seems utterly impossible that the high
schooler that I worked with is now the patriarch of his family. Keep
their memory strong for your children. My thoughts are with the
whole Morast family.

“ *To Clem's families:
I'm sending my deepest sympathies to you in the loss of Clem. We had many good visits and laughs over the many years that we were at Glendive Livestock. He was a special fellow who loved that job and it was a gift to get to know him!
May God be with and give you the extra strength and courage needed in the days ahead. Many will miss him!
