.y name is Cleo Garner Barrington. I was named after your mom Cleo. I live in Twin Falls Idaho. My sister Virginia and I were reminiscing our summer in Glendive with your family one summer. I looked up Cleos name and found this obituary. We would love to connect with any of you to see where and what is happening in Your lives over the years. I remember many fun child hood memories. Also when Wendy Bonnet passed. I am sorry for your loss of your mom. I too have lost most of my family.
