“ My condolences to his family and friends, he was a very nice man. He came to my house to repair a kitchen spigot. While his assistant was repairing the spigot, he talked to my dog and tried to get her to come to him.

“ I just heard of Clint's passing. He was Lennie when I first met him. We played basketball against each other. I was from Chinook. We both started college in Glendive. Then we moved to Northern where he staid at our home in Chinook. We both moved on to MSU together. The only road race I ever lost was to him in his '69 Chevelle.

“ I never realized that Clint was having health problems. Alita, the one memory I have of your dad was when I'd show up at your door for your piano lesson. Clint would open the door and yell up to you, "Alita, the piano plunker is here!" I know you'll miss his humor.

“ Clint was our go to guy whenever we needed plumbing work done. But more than that had been a friend for many years starting with Hustlers Drag Racing in the 60's. He could be a tough guy but also kind. We enjoyed watching our daughters Alita Sallee & Annie Wallace play on the same softball team & his cheering for our "Annie bananie". We will miss him.
