

Colleen Dawn Hellesvig

September 28, 1970 - July 25, 2023

Colleen Dawn Hellesvig went home to be with her Lord and Savior on July 25, 2023, at the age of 52, at the Hospice of the Valley in Glendale, Arizona, with her mom and special friends Shannon Donahoo and Grant Shapirio by her side. She fought a courageous two-year battle with cancer, with her mother by her side.

Colleen was born on September 28, 1970, to Wallace “Wally” and Beverly (Knels) Hellesvig in Seattle, Washington. In 1972 the family moved to Cheyenne, Wyoming. In 1974 the family moved to the family farm in Bloomfield, Montana. Colleen attended school at the Bloomfield and Richey school.

In 1984 the family moved to Billings, Montana, where Colleen graduated with the Class of 1988 at Billings West High School. In 1992 she graduated from Evangel College in Springfield, Missouri, with a degree in music.

After college Colleen moved to Tulsa, Oklahoma, for several years. In 1998 she moved to Oklahoma City, Oklahoma, where she met some friends for life. She didn't like the ice storms and tornadoes, and moved to Phoenix, Arizona, in 2008.

In 2011 Colleen bought a house with a swimming pool. She loved to swim, hike, ski, play tennis, and many other sports. She worked hard to fix her house the way she wanted it. She loved doing yard work with the twelve different fruit trees she had planted. When her mom would come in November for visits, Colleen would take her mom on a trip, and it usually involved hiking.

Most weekends you could find her hiking in the mountains around Phoenix. Colleen worked for Farmers Insurance as an adjuster. She loved her job and the friends she made there. She was not a quitter. She worked up to the week before she passed away.

Colleen is preceded in death by her father Wally Hellesvig, grandmas Rebecca Knels Hofer, Emma Hellesvig, and some aunts, uncles, and cousins. She is survived by her mother Beverly, brother Mike, niece Kasey, two great nieces Paislee and Willow, aunt Delphie Tiesen, aunt Virginia Farmsworth, and many cousins. She will be truly missed by special friends Shannon Donahoo and Grant Shapirio, her friends at Farmers Insurance, and her mom that took care of her every day for two years.

Funeral services will be held at 11:00 AM on Saturday, August 5, 2023 at the Richey Alliance Church in Richey, Montana with Darrell Nefzger officiating.

Interment will be in the Bethlehem Mennonite Cemetery in Bloomfield. Silha Funeral Home of Glendive has been entrusted with the arrangements.

Remembrances and condolences can be shared with the family at: www.silhafuneralhomes.com.

“ Colleen and I met thru work when she moved to Arizona. She was always so friendly. Throughout the years I really got to know her and truly understood her love for life. She had the great love of the outdoors and always being active. At work, she was helpful and really got to know people not just thru work but personally. She would always remember something that I had told her before and ask about it at a later time. After her diagnosis, we spoke for hours and shared stories, exchanged text messages, funny pictures and the list goes on. She fought this disease with grace and always had a positive view of the future. She was a fighter and overcame so much, which shows her will. I will miss Colleen so much and my condolences to her family 💕💕

“ Nancy & I met Colleen through my close friend Grant Shapiro, some 10 years ago.

Every person that I've met through Grant, has been a high-quality individual.

So as Nancy and I got to know Colleen, we were not surprised to find that she fit this mold and had a very-strong moral compass.

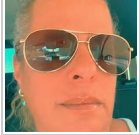

Nancy & I spent a few days w/ Grant & Colleen in Rocky Point in 2015 & enjoyed that trip so much !

Other special memories that come to mind include the great time we all had at the James Bond party & also Colleen hosting Grant's 50th birthday party in her beautiful home with her entertaining all of us guests with fantastic piano playing on her baby-grand !

We miss Colleen-she departed so young - but we are grateful that we knew her, for the short time that we did 🙏

“ I got the pleasure to meet Colleen when I came to work for the Phoenix, AZ office. She was so welcoming and I was instantly drawn to her. She had such a good energy about her and such an amazing soul. I couldn't wait to see her, as I am planning a visit the Phoenix office soon. To my sadness, that won't happen. Colleen you will be missed - our heavenly angel!

“ I had the great pleasure of working with Colleen for nearly a decade and appreciated many things about her. I loved her testimony for the Lord, she had a wonderful way about her and navigated life with confidence knowing her Lord.

All that worked with her were better for it. She would teach, call you out, and set the bar for what we all wanted to be. She set an amazing standard with her file knowledge and was easily one of the best negotiators any of us will ever know.

Her love for creation and being out in it was one of her greatest joys. Many of us would discuss our outdoor adventures and she had plenty of them. Her photography is amazing, and you could see her love for the outdoors in her prints. Her active lifestyle was always wrapped around another outdoor adventure.

She will be missed in many ways, and I am thankful I knew Colleen. My thoughts and prayers are with you and thank you for sharing her with all of us.

“ I had the opportunity to get to know Colleen through work. I feel the way so many of our coworkers have already expressed. We had work conversations and lovely and meaningful personal conversations. I am fortunate to have had the chance to get to know her. My sincere condolences to her family and friends. She will be missed but remembered fondly.

“ Colleen was a tremendous person. Professionally, she had a palpable passion and it was fun watching her negotiate, as she was more prepared and tougher than the person on the other line. She always carried an internal pride that I admired. Personally, I always enjoyed talking with her about being outdoors or eating good food. She will be sorely missed.

“ Colleen was one of the first new hires I worked with as a trainer with Farmers. There is one particular memory that pops up often for me- when I was getting ready to move to Oregon, I had a long discussion with Colleen about inflatable kayaks- and still think of her whenever I see someone in a kayak on the river. I always admired her sense of adventure. To all of Colleen's family, my thoughts are with you, and may your memories of Colleen be a blessing in the future.

“ I only got to know and work with Colleen for a little over a year, but we shared a lot of laughs about the ways people mess up the name Colleen/Collin. She was so passionate and had a great sense of humor. I will think off her when a name mix up happens again and know she's laughing with me. She will be missed.

“ It was such a blessing to have Colleen as a friend to myself, my husband, my baby daughter, and all of the rest of my family. She was a guest in my home and in my mom's home many times while she lived here in Oklahoma. She was intelligent and informed and was a great source of knowledge. I really appreciated visiting with her and getting to know her. All of my family enjoyed her visits as well and have great memories of her. I enjoyed her wealth of understanding of the Bible and many other subjects and benefited from her advice about many areas of my life. I'm so sorry that she was taken away so young. She was a sweet and beautiful person whom I am thankful to have had the pleasure of knowing.

She was so passionate about her work and always brought a smile to my face when we chatted. I always enjoyed talking about work related stuff with her but the lengthy non-work related conversations we had will forever be cherished by me. “ Colleen will be so missed by so many and especially me. You were my friend and coworker. Some of my favorite memories were just talking or chatting with Colleen. I keep going over those memories and it cheers me up through this sad time. She always had a way to make me laugh out loud. Sometimes we would start talking about work and just get lost talking about other things. Colleen is a special person. I never remember a day when Colleen was not smiling or in a good mood, she always had the best personality and perfect smile and charm. That is how i remember her. She will be missed so much ~ Jon
