“ Please accept my heartfelt sympathy. So many memories I have growing up contain Dale and the Hajek family. He will be truly missed. He fought a long hard battle, but we can take comfort in the fact that he does not have to suffer any longer and he is finally at peace.

Love you Dale- your smile, laughter and ornery spirit will be missed. Wish I could be there with the family during this time, but know that you are in my thoughts and prayers. Love all of you!!!

“ My thoughts and prayers go out to all of you in your time of sorrow. We had many good times together out at Kittler's and in our backyard playing horse shoes and swinging on that old black tire swing! My funniest memory of Dale is him falling off the old metal barrel spring horse that we all played on in our backyard. Good times and memories will always stay with us. Love to all of you.
