“ I will always remember getting together for family gatherings whether it was for Christmas or Thanksgiving when we were younger. Laughing together at weddings, reunions or anniversary parties or just walking around grandma & grandpa’s farm talking. Her love for horses, dogs, cats, you name it she loved animals so much. The joy that she had being in Gods country. Outside. Enjoying nature & just being in the elements. It’s like it was a part of who she was. Love you Cuz & I’ll never forget your laugh, ever.

“ McCloy family,
I was saddened to hear the news of Dana's passing. I recently had the pleasure of crossing paths again with Dana and saw her each month. She would chat with me and tell me of any new news or show me something new. I'm terribly sorry that you all are feeling such pain with losing Dana. I will be thinking of you in the days ahead.

“ Totally heartbroken to read this. Dana made me laugh with her abilities to heft tires, 5 gallon jugs of water but yet gently hold a baby! In time spent together, we shared many laughs and memories. There will never be another like her. My condolences to Renée and her devoted parents. May God give you peace and comfort as you grieve this tremendous loss.
