

Daphne Jill (Snow) Meyers

October 24, 1967 - January 19, 2017

Daphne Jill Meyers, age 49, of Fargo, North Dakota, passed away in her home on Thursday, January 19, 2017. Visitation will take place from 10:00 A.M. to 11:00 A.M. on Thursday, January 26, 2017 at the Glendive Alliance church in Glendive, Montana. Funeral Services will be held at 11:00 A.M. on Thursday, January 26, 2017 at the Glendive Alliance Church in Glendive with Reverend Avis Anderson officiating. Interment will follow at the Dawson County Cemetery in Glendive. Silha Funeral Home of Glendive has been entrusted with the arrangements.

Daphne entered this world in Billings, Montana on October 24, 1967. Her parents Dennis and Sandra Snow were so proud and excited. They lived in Conrad, Montana for the first five years of her life. A big highlight of hers was when her brother Darren joined the family in 1970. From the beginning he was “her” brother. In her entire life no one ever doubted how special he was to her.

When they moved to Glendive in 1972 she began kindergarten at Mrs. Bold’s kindergarten, where she started making many lifetime friends like Lori (Mann) Couture and Mike Dougherty. They journeyed through 12 years gathering many more friends on the way. She still had these special people in her life. She spent many years involved in swimming and attending many sporting events. Never a dull moment in this young girl’s life! After graduating from Dawson County High School she attended Jamestown College in Jamestown,

North Dakota where, among other things, she was a dorm monitor. After graduating with a B.A. degree she moved to Philadelphia to live with Melissa Danielson to work in downtown Philly, where she met and later married Mark Meyers in Glendive. Eventually they moved to Fargo, where in 2001 their life was blessed with son Jacob Thomas Meyers. He truly put a spark in her life. After her divorce she continued to live in Fargo, a town she truly loved. She looked forward to Jacob's many Fargo visits.

Daphne was born to be a leader and an organizer. She was a certified Event Planner, at which she excelled. She started her own business, the Red Barn Group. At the time of her passing she was working at her dream job as Rental and Events Manager for the Fargo Red River Zoo. A perfect combination—love of people, planning “events” and her love of animals. She also taught Event Planning at Moorhead State College as an adjunct professor. Daphne was also very proud to be Rotarian and enjoyed helping with their many local and international endeavors.

Daphne was a gift to all who knew her. God must have needed her so He called her home, much to the sorrow of her family and friends.

Daphne was preceded in death by many grandparents and a great uncle who all loved her.

She leaves behind her son, Jacob of Cherry Hill, NJ; her parents Dennis and Sandy Snow of Glendive, MT; her brother Darren and his wife Devonna, who was a true sister to her; nephew Craig, godchild Reece, and niece Alexis, all of Bismarck, ND; she also leaves her grandmother Anna Dew of Glendive, who never loved anyone any more than Daphne. They had many exciting trips together to see the world. Her years in Glendive were also shared with two “siblings”, Shauna Faler and Shane Roberts, who lived at the Snow house. She leaves many family members and friends grieving, but holding tight to

their favorite memories.

She would have wanted any memorials made in her name to the Fargo Red River Zoo or Second Hand Paws in Glendive. There was never an animal she would not have wanted to help. Her beloved dog Penny was her latest “rescue” and brought her great joy.

Remembrances and condolences may be shared with the family at: www.silhafuneralhomes.com

“ Daphne was a year behind me in school, and although I didn't know her well, I do remember very clearly, how she made people feel. People surrounding her were always smiling, and laughing. I admired her ability to be comfortable in her own skin, and put herself out there. Obviously, she has touched a great many lives in her short time on earth. Let the good memories be of comfort to you in the days ahead, Heaven is an even more beautiful place with Daphne there to light up the smiles. I'm very sorry for your loss. Deb Chouinard

“ For the past week, I’ve tried to find words to convey the deep sadness I feel as I lost a dear friend and mentor much too soon. Tomorrow I will celebrate her life with her family and friends.

Daphne Meyers hired me as her intern at Great Plains Software in 1999. Little did I know the adventures I was about to embark on. From the moment I began working with her, she took me under her wing and taught me the ins and outs of the meeting planning industry. My internship turned into a full-time job – my dream job. It wasn’t because of the awesome places I traveled, the royal treatment and goodies we received on site, etc. It was the amazing people I met in that job that became some of my closest and lifelong friends.

Daphne taught me much more than how to be a top-notch event planner. Daphne was a firm believer in giving back and dedicated much of her time to non-profits and making her community a better place. Her kindness and generosity towards others was admirable. Her witty personality and funny situations she’d inevitably find herself in always brought a smile to my face. My life is so much richer having known Daphne and she was adored by many.

I have so many fond (and funny!) memories of times spent with Daphne over the years and I will cherish them forever. She always lit up the room when she walked in. May her light continue to shine and may her memory be eternal.

“ To Daphne's family: I had the honor of meeting Daphne several years ago while I did some consulting projects with Great Plains and Microsoft. She had a wonderful, sparking personality, and was a delight to work with and to simply be around. Recently, we had a short conversation where she shared her love of working at the RRV Zoo.

I'm so sorry for your loss--she was a joy in so many ways, and will be deeply missed by all who knew her. My deepest sympathy and prayers.

“ God bless you Snow and Meyers family on the loss of precious Daphne. She was a one of a kind. I knew her from the meeting and event planning world. She was smart as a whip and just FULL of one idea after the other! I could sit and listen to her all day. Truly - one of the greats.

She is gone too soon. I am very sorry for you. I pray for the Lord to bring you great comfort and peace during this terribly hard time.

“ Being part of the huge family known as the "Glendive Swim Team" is a great memory for me. Our children had so many caring "swim parents" and Ron and I had so many "swim children" that we loved and cared about. Daphne was always so cheerful and such fun at meets. Her smile and sense of humor were delightful. I remember her beautiful wedding in Makoshika and the joy of that day. Although I have only been in touch by social media for the past years, it seems like yesterday. She will be greatly missed.

To you, Jacob, and the Snow/Meyers families, your loss is inconceivable. To those of us who were her friends for years, it is simply looking at your sweet punim, thinking of conversations and laughter and shared meals over so many years, and knowing that there will be no more that we feel sick to our stomachs. The love you gave to all of us, each of us, the world, our industry, was great. Your loss will be felt forever.

May your memory be only for a blessing. May your life be an example. G-d speed sweet friend.
