“ *I met Dave in the hallway of the Miles City VA CLC in October 2018. He visited with me like we were old friends. He asked me out to dinner (lunch), so I joined him in the cafeteria. After he went home I would see him off and on when he had follow-up appointments. He always had a smile and a smart remark when I would see him. I then was able to spend more time with him at the Eastern Montana Veterans Home on a weekly basis the short time he was there. May you rest in peace Dave, see Iva again, and hopefully be happy.*
