“ *I am terribly sorry to learn of Dave's passing. I met Dave just a few years ago soon after we moved to Cortland. Dave and his beautiful family kindly hosted us for dinner one evening.*

Dave struck me as good humored, humble, honest, and passionate man, full of an eagerness to learn and serve that outmatches those thrice his junior.

God bless Dave, and my sincerest condolences to his family.

“ Maggie. Sorry about your loss. I knew David for many years. We grew up together in the Dove addition when the family moved to Glendive from Dickinson. David, his brother Bill and I would play whipple ball in the street every chance we got. We lived across the street from each other. Spent a lot of time together. I always enjoyed talking to David in the later years. Will miss seeing him. My prayers and thoughts are with you Maggie.

“ Sweet grandpa. Where do I start?! I can't even express in words how much I love you. What I would give to be able to see your face one last time, or to hear your voice, or to kiss your forehead, to even smell your hair.. I would give the world to be able to tell you I love you. I miss you too much. You were such a great man . I will forever be greatfull that I was your granddaughter. I love you to the moon past the stars forever and always. Xoxo 💜

“ Praying for comfort in this time of sorrow. David was very special to me and my children. Ashley and Alyssa spent the most time with their grandpa when they were much younger and have some great memories of him. Grateful he was part of our lives and to have spent many hours in heartfelt conversation and laughter. Sending love and condolences to all the family. Deanna, Matt, Ashley, Alyssa, Emma, Hannah and Miles Haley.

“ I thought of you with love today
But that is nothing new.
I thought about you yesterday and the days
before that too.
I think of you in silence I often speak your
name.
Now all I have are memories and your picture in a frame.
Your memory is my keepsake with which I will never part.
God has you in his keeping but I have you in my heart!!
Love you daddy
Your daughter Dottie (dink)
