“ *Dennis and all of Deb's family,*

So sorry to hear of your loss. I will always remember Deb when I worked for you at Farm and Home and how special she was. May all the good memories you made hold you close in the days ahead. With sympathy,

“ *I lived with Deb and her parents my sophomore year of high school. We had a lot of good laughter doing dishes at night and her mom knew she could get us out of bed easily on mornings when she would make her French toast and chokecherry syrup for breakfast. Deb and her parents were very good to me and I will always remember that. I will remember Deb with a spring in her step and her big smile.*
