“ *Donna played a key role in bringing items to Denver that I needed when Ruth was in CCU at Swedish Hospital with a ruptured aneurysm. That was a huge help to us. She was a great friend of Ruth's. She helped me via massage on more than one occasion. We will miss her.*

“ I met Donna years ago. She was an incredible woman. She always thought of others before she thought of herself. I will always be grateful to her for helping me after I broken my leg. There were no strangers where Donna was concerned. Fly high and soar with those beautiful wings that you have earned. I will miss that smile and the hellos we had for each other.
