“ *I first met Ed my first year of teaching in Lambert in 1969. Then I taught at Fairview and will always remember the year he was on the radio and we had freezing rain, but he had not mentioned about it until I had skated half way to Fairview. By that time I couldn't turn around if I wanted to. He and Shirley were great friends and nice customers to wait on. I listened to him from Glendive later, and forgot he had moved to Wibaux. Many fond memories and conversations with Shirley and Ed.*

“ *Ilene and I shared many an event with Ed and Shirley nearly 30 years ago when Ed went thru the chairs of the Montana State Elks Association and he served as our President in 1987-88. A storyteller supreme and a man of many talents, he moved around to many towns in Montana and loved his radio work and Sports Broadcasting. We shall miss him. Larry O. Lee*

“ Ed will forever be missed on his morning show on KXGN radio. I am proud to say Ed was a good friend, we drank some brews at the Jug, and Ed was always gracious to invite me as his guest, on his radio show, during the Bike show week. I loved to listen to his stories and his wit, and jokes. Radio will never be the same, without my friend Ed. I hope up there in the Heavens, the good Lord gave you a microphone, and a turntable, to spin vinyl there! Miss ya ole friend...signing off now...Terry Knapp

“ Ed, Shirley, Gary and I spent such good times together, especially after a Wibaux football game! He was the best joke teller ever! He loved football and the coaching of his young athletes. He was a wonderful radio announcer, covering baseball games to school lunches. He was a scholar and could converse on any subject. Shirley passed away before him. He'd tell us how he would someday go to western montana and he and Shirley would buy a little tavern to run. I think they're there now! Thanks for all the memories Ed. You meant a lot to my family.

“ I worked with Ed at KXGN for many years. I enjoyed hearing the stories of his life adventures, he certainly had an interesting and full life. I hope you, as his family, will write a full obituary of his life, I believe many would be interested and surprised by his diverse talents. My condolences for your loss.
