“ I met Edwin O. Thompson, Retired Deputy Director General, Singapore Prison System in August of 2010 while my wife and I were on the Holland America Ship the Nieuw Amsterdam. Both he and his wife and I and my wife disembarked the ship in Venice. A couple of days later we met up again =at the Plaza San Marco. Area and I had visited some while on the ship and we had a connection because of his background and me being retired as a Clinical Director of the US Federal Bureau of Prisons. He was a delightful person to visit with. I deeply regret that I did not have a chance to visit with him in Singapore a few years ago; my wife and I had to cancel a planed trip to Singapore at that time.
