“ *I worked with Emil for many years at West Plains Implement and enjoyed every time we talked. One of my favorite memories is the time he shaved his beard and nobody at work knew who he was.*

“ To the Twardoski family

Emil was a great man. He let my father use his fur shed when my parents' first moved to Beach October 2010. He liked going with my dad trapping muskrats and checking on them daily with my dad. He will be greatly missed as my dad was happy to have a friend to talk to about trapping as my dad told me he had lots of stories to tell about his adventures trapping. My prayers are with the Twardoski family.
