

## Francis Glenn Kempton

September 19, 1943 - March 27, 2020

Francis Glenn Kempton, age 76 of Glendive, Montana, returned home to our Heavenly Father on March 27, 2020. He was born in San Bernardino, California on September 19, 1943 to Maida N. Garner and Francis J. Kempton. He moved to Milton-Freewater, Oregon, where he spent most of his childhood. He was the eldest child, followed by Connie Womack and Donald Hodgen. At age 18, he was drafted and became a cook in the US Army where he served for 20 years, obtained a love for baking, and married Jacquelyn Fleming. Together they brought four beautiful daughters into the world: Chauntel Wehe (Arthur Wehe), Michelle Rushing (Kyle Rushing), Misty Bean (Michael Bean), and Nichole Uhri (George Uhri). They were blessed with 18 grandchildren and 30 great grandchildren. He was a beloved father and grandfather. Glenn was a member of The Church of Jesus Christ of Latter Day Saints. He was a God-fearing man with a heart of gold. He loved his Savior and country. Glenn found joy in life through many things. He loved serving others as much as he did dancing. His smile, while doing those things, was priceless. He enjoyed traveling and submerged himself in the new cultures of the world and then shared his tales with those he loved. He spent the last 3 years of his life in Spearfish, South Dakota, immersed in the beauty of the black hills. He will always be remembered as a meek and humble man. Glenn is preceded in death by his parents, grandparents, and grandson. A private, family graveside service will be held in his honor.
