“ *I first met Whitey in Melstone, Montana, in the late 60's - early 70's. He was widely known for his knowledge on the Ajax. My son had the honor, and privilege, of working with him, when he broke out in the oil patch, after high school, in 1989. He always said that he learned a whole lot from Whitey. Whitey was the kind of guy that would give a person the shirt off his back. We're so very sorry for your loss. He was a one-of-a-kind-guy that will be greatly missed by all who knew him.
