“ *Harry was a prince of a guy. A hard worker...his vehicles always looked spit- shined, and his lawn was picture perfect everytime I saw it. 😊 What a kind and caring heart Harry had! I will miss his smile and his presence in our lives and community. My heartfelt sympathy to Harry's family!!💜*

“ All of my memories of Harry Trangmoe are with the church. I loved attending bible studies with him. I also would look forward to him driving us around to go caroling. One day Harry drove his classic car to bible study, he usually drove his blue tempo. I went I side to work and grabbed the kid that was a car hound and brought him outside to show him Harry's car. He ooded and awed about it, peeked inside walked all around the car, he then said how old is this car Miss Lesa,I said older than me! Woah that's old! I never had a chance to share that with him, but I can hear his chuckle! It warms my heart that my last memory of Harry was sitting in church. He will definitely be missed at the church. God's Blessings to his families!

“ *LaVerne and Trangmoe Cousins and families: Condolences and Prayers! I regret I am unable to be present for the service. Cherish all your memories now and in the future. I have several including one going back about sixty five years ago when we each had our first car. Harry readily shared how to keep your car spotless. When it came to knobs on the dash he showed how easily a toothbrush worked for that task. Yes, Harry took great pride in his vehicles and over the years may have wore out many toothbrushes keeping them shiny and clean. RIP Harry. Keep SAFE and Blessings to everyone. “ Harry was one of the best. Bob has many memories of him. My favorite that I have was that he loved teasing me at Cardio Rehab. He would just give it to me! He had to stop coming to rehab so we would see his car at the Subway and we would have to check in to make sure things were still going. Heaven gained a great angel!
