“ *Spiral staircases. I like to spend my time looking at old houses and everytime I see one with a spiral staircase, especially a metal one, I think of Uncle Harvey and what he could create. His skill with metal amazed me and it remains my goal to have a metal spiral staircase in my home. Spiral staircases and his laugh. I really liked his laugh. Family, please know that even though I am not with you in presence, I am with you in spirit and heart. Kyle Scammon*

“ Oh Harvey you will be sorely missed. I will never ever forget when I worked at Mini Mart (1989 to 1994). You along with the other guys on the night crew from the round house, would come in for whatever. All of you used to pick on me. But I will never forget the look on your face the night Dave Engle rolled on my garden hose. Dave told me drop the hose cause ALL of you knew I would spray everyone of you guys in the truck. I put it down, but the look on your face was like "WHAT." Dave moved off of the hose and I was fast enough to grab the hose again and I sprayed everyone of you guys in the truck. The looks one everyone's faces was priceless. I have missed seeing you around in the stores. Meidinger family you have my deepest sympathy for your loss. Havery was a wonderful guy. He always talked about his girls. RIP Mr. Meidinger, soar high with those beautiful wings you now have.
