My thoughts and prayers are with you in your time of sorrow. I saw a sympathy card that was labeled the 5th season, which is regarding death and going home to our beloved heavenly father. I truly believe that your wife, mother is in heaven. She has seen and dealt with as much sorrow as anyone should have to..... As the priest told my brothers, sister and myself...."we grieve because we are selfish, she is much happier and without pain, worry or suffering." Those are the words that comforted me. The other words that comforted me when my Mom passed away is messages are passed from heaven in the forms of pennies found. May you find as many pennies as you need to ensure that your Mom/ wife loved you through all..... Love the Streitz family
