“ *Such great memories of our Beach, North Dakota family gatherings! The Horsman Sisters: Avah, Nat, Grace, and Bea, each with a husband that was truly unique . . . And then, your mom and my mom and their whole collection of girl cousins, along with husbands and offspring . . . Some of the greatest days of my childhood, knowing that I was part of a big family like that. I so well remember Imogene in the middle of it all. I enjoyed your mom's boldness and the way she kind of liked to stir things up. I know her life was never easy, especially the last part of it, when she had to be so completely dependent on others---that was not her style---but she was used to coping and carrying on. Bill, you and your family are in my thoughts and prayers.*
