“ Sad to know another one of our Forest Park Moms have left us .So many memories living next door to a fantastic Lady and family. We are sure we know where she is, who she is with and what they are doing. Love you always Susan and Jan.

“ To this day I always remember Irene as my FAVORITE paper customer when I was her paper boy. Every holiday she always had a little gift of some sort in her paper box waiting for me and my brother. She always knew what time we were suppose to drop off the paper and she was always waiting with a huge smile by the living room window to see the expression on our faces when we got to her home. I will always remember how big of a heart she had for everyone she met. Irene you will be greatly missed!

“ Janet, and family,
*My thoughts and prayers are with you
My mom has been going up to visit your mom, last time she was up there they talked about the trip her and your mom took to Wyoming when my dad and yours were working for MDU.
I have great memories of your mom from all the times I stayed at your place and how many times we burned popcorn. And the screaming we did watching scarey movies at night
Remember the good times. Share the memories. Your mom was a great lady!
