“ *Janel and I met at Glendive college and became fast friends. She was always one to be uplifting and always who you wanted in your corner. We lost track of each other after some time which made me sad. Blessings to her loved ones. She will sorely be missed.*

“ *Janel was my friend in college.
We had so much fun working in groups
together.
She was such a sweetheart!
While it's been many years since we've seen
each other, nearly 20,
She will always be in my heart.
I send our sympathy to her children, and the rest of her family.
Know that she was a good woman that was always well liked.
I especially enjoyed her sense of humor.
She will be missed.
Hugs & prayers are sent out for you all.
