“ *My dear friend, mentor, and prayer warrior. It was by Gods grace and goodness that we journeyed over 30 years together. You are truly missed in the physical sense. The memories are beyond words. In memory, I shall never forget the bond formed between us both and the gift given to us. As I go forth may I be a blessing and pure joy to another that passes my path as you were always to me. Your sister in the Lord and friend, Susan*
