

## John Haase

March 12, 1954 - March 11, 2017

John Arlyn Haase, age 62, passed away peacefully on March 11, 2017 at his home in Glendive, Montana. Visitation will be held from 10:00 A.M. to 5:00 P.M. on Thursday, March 16, 2017 at the Silha Funeral Home in Glendive. A family and friends service will be held at 7:00 P.M. on Thursday, March 16, 2017 at Our Savior Lutheran Church in Glendive. Funeral services will be held at 10:00 A.M. on Friday, March 17, 2017 at Our Savior Lutheran Church in Glendive with Pastor Greg Lucido officiating. Interment will follow in the Dawson County Cemetery. Silha Funeral Home has been entrusted with the arrangements.

John was born on March 12, 1954 in Sidney, Montana, joining older siblings Gary and Ron. John attended Deer Creek Elementary School and graduated from Dawson County High School, where he was an essential asset to the chess team. John attended college in Bozeman, Montana. He returned to Glendive where he worked for UPS as a package car driver. The summer of 1975, John's life soon changed when he met Peggy Buck. They were married on July 9, 1976 in Glendive, Montana and to this union two sons, Bradley Anson and Michael John, were born. John then started coaching baseball in 1986 and soon became well known as "Coach Haase". His love of coaching extended through many years beginning early on with his boys and continuing on with his granddaughters. John retired from UPS after 34 years of service, but was not the end of his busy lifestyle. He started his own roofing business which kept him going. John became a grandfather in 2008 to his beautiful

granddaughters Audrey Marie, followed by Ava Victoria in 2010. Those two girls had their grandfather wrapped around their little fingers from the minute he met them and they became the loves of his life.

John was a very active member in his church as well as a revered member of the community where he served on many boards and committees. In 2015 John fulfilled one of his lifelong dreams and bought his bar. With much hard work and dedication his dream started to unfold right before his eyes. John's outgoing personality and contagious laugh will not be forgotten. His luster for life will live on forever. "Hee, Hee"

John was preceded in death by his mother and father, Fred and Loraine Haase; and his mother-in-law and father-in-law, Johnny and Marie Buck. He is survived by his wife, Peggy "Peg", of Glendive; two sons, Brad and Mike, both of Glendive; two brothers, Gary Haase and his wife Lynn of Sherwood, Oregon, and Ron Haase and his wife Tammy of Sidney, Montana; one sister Sue Atwell of Glendive; two granddaughters, Audrey and Ava; and numerous nieces and nephews.

“ John Haas was a great man and a great All-Star coach when I was a kid. He treated me like a son and I respected him and his wife for that my whole life. He never treated me any different than anyone else even though I was from Circle and not Glendive. If anything he may have treated me a little better knowing I wouldn't know everyone else as well. I have lots of child hood memories that involve him, his wife Peg, and his sons. I could tell stories of him cheering me on, or telling me everything's going to be alright, we tried our best. Those are the things I will remember, they are events that happened a long time ago.....but those are things, or little pieces that made up little pieces of who I am today. Gave me the confidence to chase my dreams at times because he never snuffed them out way back then.

*I wish I would have know sooner so I could have offered my condolences to the family in person.*

“ John's zest for life is what I remember. As nice a guy as I ever knew. I had so much fun with him as we transitioned out of high school and into our 20s. Many fun adventures, no doubt. I lost touch with John after I moved to Texas, but recently reconnected with him via Facebook and was looking forward to a fun reunion with him later this summer. My heart aches for his family...he was taken by our Lord far too early. I know one thing...heaven is a lot more fun with John in the mix. My condolences to Peggy, John's siblings, and John's children, grandchildren, nieces and nephews. A wonderful guy.

“ How could it be that we are sharing a good chuckle and a few hours later he's gone. The conversation Friday was how he was overwhelmed being a country kid going to DCHS because of the sudden mass of people. He said he had a fairly narrow group of friends then. Oh my what a lifetime of hard work and integrity coupled with an inane ability to connect on a personal level to people can do for a man. When I think of John I still think of 4-H, hogs, baseball coach, and UPS. A man who built a retirement business out of possibly the most grueling profession (roofing), then because there was some down time in the winter how about taking on a new business venture (Oasis). A man of unbelievable drive but he always had the time to sit down, address you personally, and share a personal conversation. We know we aren't to ask "Why?" the Lord does what He does but in times like this it's tough. I will choose, however difficult it is, to rather thank God for putting John in our lives for the time He did. We saw a piece of His goodness shining through John. Because John was most definitely a "Good Guy". Heartfelt condolences to Peg, the boys and rest of his family.

He taught and helped me how to re-shingle the roof on my childhood play house. Once I completed, it turned out pretty good for a first timer, he offered me a job working weekends...haha, it was a nice complement from John. He was always spending time with is family and enjoying life. John is very proud of Michael and Brad and the those two beautiful grand daughters, John was always praising one of you when we visited. Peggy, anyone could see by watching the two of you together you are the love of his life. You all have a great many memories to remember and share in the days to come, let them keep him strong in your hearts to help you through the tough times. My thoughts are with all of you.*

“ Peg, Mike and Brad,  
My thoughts are with you all. Remember all the good times, Goofy times, and just plain crazy times with John. What a great guy he was, and will be deeply missed.  
I have several great memories of John coaching Travis in Babe Ruth, Travis said what a great thing it was to have John coaching him because that's who taught him how to hold the bat the right way to get the big hits.  
Peg, if you need anything, or just someone to talk to I'm a great listener.  
Just think what a heck of a softball game he can have up there, with all the old ball players that are there and then have a big BBQ afterwards.

*Peggy, Brad and Mike...We are saddened to hear of John's passing. John is truly a genuine asset to the community. Never a day went by that you did not see a big smile followed with a "Hi, how are you?". No matter how busy he was, he took time for a short chat. A couple things he shared with us during a couple of our chats was how proud he was of his family and that his family came first, he was a firm believer to always do the best you can, take time for fun and always enjoy a Snickers bar. Soar high, may the biggest fish bite, and the poker chips roll your way. Peggy, Brad and Mike...cherish the many memories as they are forever...*

“ *I had the honor of dealing with John through UPS at my work establishment! ! I was able to have the privilege of seeing John just about everyday M-F over the last 18 years. He truly was a good friend and remained that way even after he retired. He was probably one of the hardest working individuals that I knew of. He really did accomplish whatever he set out to do. Nine years ago my Grandson who was 3 years old at the time, would come down to my work and just loved to visit with the (in his words) The USP Man. He was going to grow up to be just like that USP Man. John gave him some UPS toys and he absolutely adored them, they were in his room forever. I even was told one day when I was driving and The UPS truck was stopped in my way, that I was not to say anything about The USP Man. John will forever be remembered by my family not only as the retired UPS Man but as a good friend. May memories of John ease your pain Peggy and family, you will forever have a guardian angel looking over each of you!!! God bless each of you.

“ *Peggy,  
I was so very saddened to hear of John's passing. He was a wonderful man and always stop to chat with me when I would see him when I was in town. I have some good memories of him umping softball games. God Speed John, say hi to Dad for me. You will all be in my prayers.*

“ John A...I will truly miss ya Ole friend....I will always remember how u helped me get through Freshman Algebra, and how you always signed your home work John A.Haase..I thought that was so amusing, for 49 years I always called you John A. MAY you RIP, I hope to have a beer with you in Heaven some day. I was happy for you to achieve your dream of owning a bar, and it was my pleasure to work on it with you. Miss YA!
