To Tom & Wes & family, I'm so sorry to hear of your mom's death. It was an honor when I was her nurse to care for her. I would take out time to visit your dad when he visited Judy & talk about the good Ole days. Your dad shared many memories of your mom with me as he did with himself. I'll never forget the Hot late August day, when When your dad pulled into the farm house lane to fill our tank-up for winter It would have been in the late 90's. I had just made 2 peach pies which Your dad loved & so did your mom. Your dad took very good care of her Tom.

so devoted that I never saw that before. Then when he couldn't do it no more. I got a chance to care for your mom. I'll never forget your family Tom. Thank-you From Cindy Greiman

“ Judy, was a special lady who filled in for the Dietary staff many times when they were short of help. On occasion I would sit and talk with her during her lunch hour. In later years I would see her when I was visiting my mom in Extended Care. Judy loved her job and took great pride in making sure things were done and completed at the end of her shift.
