

Judith "Judi" Marie Cramer

October 23, 1948 - November 29, 2025

Judith (Judi) Marie Cramer (Baier) passed away peacefully at her home with her family in Fallon, Montana on November 29, 2025. She was 77 years old, and died following a recent cancer diagnosis.

Judi was born in Bismarck, North Dakota on October 23, 1948 to Alvina and Chris Baier, and was the oldest of 5 siblings. The family moved to Glendive, Montana and Judi went on to build a life of both independence and connection. She was a service person at heart, and her many roles and jobs throughout life allowed her to help others and build community wherever she went. She raised her children on the Oregon Coast, but eventually made her way back to Eastern Montana when her mother fell ill.

A loyal mother and fierce advocate she had a hand in raising many children throughout her life. She proudly called herself the mother to 5 daughters. They are Holly Stanley, Lisa Storksen, Sativa Warren, Macy Holmes and Rebecca Higgs. She has 2 grandchildren and one great grandson, as well as one adopted grandson named Kolten. She is affectionately known to many as "Grandma Judi".

Judi was married to her husband Frank for more than 25 years. Their love consisted of deep friendship and laughter, and was made of the stuff we all seek. She left a legacy of love and light for us all to share, and reminded us all

about our “F, M, G’s, (faith, mercy and grace).

Those who knew Judi may remember her as unique and eclectic. She was direct and wise, non-traditional and kind. Her faith was strong, and she had firm convictions. A powerful force, and a gentle soul. She will be missed, greatly.

Judi is survived by her sister Renee Baier and her brother David Baier; Her daughters Sativa and Macy; her grandchildren Bleu Fleming and Nathan Burkus, and her great grandson William Fleming. She was preceded in death by her parents, Alvia and Chris Baier, and her brothers Larry and Douglas Baier, and her husband Franklin.

A celebration of life will be held in early summer of 2026 at Fallon City Park.

Remembrances and condolences may be shared with the family at www.SilhaFuneralHomes.com.

“ Man, I miss seeing her around. My daughter grew up with her in the nursing home when my mom worked in laundry. Jordyn just gravitated to her and even wanted to dress like Judi. Jordyn would wear long johns with shorts and to this day still wears miss matched socks. Jordyn would follow her around the nursing home with her.

“ Whenever I want a laugh I recall the story Judi told of how she and her friends would gather at her home on the night of the Academy Awards. They would wear thrift store prom dresses and hand each other envelopes and awards throughout the night. She knew how to have fun.

I was little when I found myself in the house on the hill, overlooking the Rogue river. I have countless memories of those adventures in the house and in those hills. The raw energy of life that flowed through that nexus required a strong person with a big heart and their feet firmly planted on the earth, and that was the Judi I know and loved.

Judi was a kind, loving and giving person. I could never remember her name, therefore I referred to Judi as the hippie!
