“ *Marcia and I were very sad to hear of Larry's death, and we extend our most sincere sympathy to Arlene, Drew and the rest of the family. Larry was a special guy, and I have many years of great Tire-Rama memories involving him- golf, meetings, trips and the like. My favorite "Larryism" was his good-natured jab at the Home Office folks and all the "milling around" that we did all day. His wit was very special, and he will be sorely missed by all those who were fortunate enough to know him. May God comfort and strengthen you in this very difficult time.*

“ *I first met Larry in the early 90s while working at Hi Line Trucking and he delivered tires to us. Later knew him when I was working for Bob's Pickup and Delivery. I always enjoyed teasing and visiting with Larry and could always trust his opinion and advice with tires. He will be missed...rest in peace my friend!! Peace be with you Drew.*
