“ *My children grew up in the same neighborhood as Larry and Larissa did. It was a fun place to grow up with lots of kids and game playing. Although Larry was a bit older than my kids, they still had a kinship with him. I remember my daughter was at the ball field and some boys were harassing her on her way home. Larry jumped in and protected her and walked her home safely.*

*I have always seen Larry around town and at his jobs and he always had the time to stop and visit with me for a bit, still the sweet Larry he always was. I'll miss him and so will my kids.*

*He was a special man and the world will be worse off without him. My thoughts and prayers are with you all for your loss.*
