“ We were so sad to hear of Lawrence's passing Roger and I have many great memories of him and Ilse. We drove beet truck for them for many years and enjoyed our time spent with them. One of my fondest memories was when we came for a visit with our 2 boys. Lawrence and Tom were trying to catch a heifer about to calf Lawrence was in his pickup and lassoed the cow. The calf was stuck and we wound up tying a rope to the front of our caravan and pulled the calf. Boy's eyes were as big as saucers and they still remember today. The calf and the mom survived. Our prayers are with you all.
