“ Lee was the first teenage babysitter I hired to watch Deidra. He arrived with a backpack full of children's books and toys. Deidra thought he was the greatest guy ever and he never forgot her. I have so enjoyed watching Lee become the man he was and had the absolute pleasure of working with him for a couple years at the prison. He will be missed by a great many people including myself. May God Bless and keep all of his family.

“ I will always remember Lee's kindness when he was on his way home from work one day and saw my children and I on the road after my daughter had flipped her bike. He was the one passerby who stopped to assist even though he had his own pressing matters to attend to on that particular day. His wonderful memory will live on for me. I pray that the family will have many memories of him that will ease your sorrow in the upcoming days and months.
