“ *I will miss you my friend. What a lot of fun times we had - horse racing basketball tournaments, wild trips out of town. Those were the days! You were so full of life and love. Those parties we had with the GANG! So many memories. They will forever remain in my heart. I know you are shining up there and enjoying your reunion with everyone, especially Dale, Denis and grandma Oium. RIP my friend. You earned your wings. Fly high.*

“ *Our friendship started in the late 70's as coworkers and boy oh boy did we all make some dandy memories! I was honored when several years ago she invited me to join her long-standing monthly poker group so we could catch up on everything from games to grand babies. As much as she enjoyed playing cards and socializing, she was so in love with her family and especially now those new little ones. She was a particular little dynamo who proudly left an important legacy in Denis and Gary's families. I will miss her, but am confident she is at rest and quite possibly keeping track of everyone.*
