“ *Hello Waters Family, I will always remember having CEF Bible Club with all us kids sitting on the living room floor at her house. I will remember her providing a safe house for me when being bullied on the way home from school. I remember going to the farm and then on over to Redwater on those hot summer days and going swimming, driving past a sod house on the way. And I also remember how close she and my mom were, even attending Colorado Women's College together (where you had to wear a hat when you went out in the evening).*

“ *Dear Family,
I will always remember your mom as a woman who knew her scriptures and always had a smile to share. She was a kind woman. I have lots of good memories of your mom. May God be with you as you travel through this difficult time.
