“ *I send my prayers and condolences to Marie's family. I was a nurse's aid at the Glendive Community Hospital (1977-1979) and was blessed to work with Marie. Working at the hospital was my first job out of high school and Marie was very welcoming and helpful to me. I always enjoyed working with Marie.*

“ I worked with Marie at the hospital and she also assisted with the birth of both of our children. I always enjoyed seeing her periodically and catching up. Heaven gained a soft spoken, kind and gentle soul.

“ *I remember when she worked at Thiruds then again at the Glendive Community Hospital. We shared concerns over her husband and then my dad whom she took care of. We never understood why either had to pass away so quickly.*

She was a great aide to those she served!
