“ *I've known Martha most of my life, as she lived across the alley from My Grandma (Edna Sell) in Forest Park. I've lived there for 20 years, myself and my family. Martha was a good neighbor! 💜. Our sympathies to her family 😊*

“ My condolences to Martha’s family. Martha was a very special person in my life for many years! On our usual twice yearly visits I was able to catch up on important events that were happening in her life. We also both shared a love of reading and exchanged the names of both authors and the books we had recently read and loved. I missed those visits after she moved to Billings..From conversations with Martha I could tell how very much her family meant to her.. prayers for peace and comfort to all of you. I thank you for your your friendship and brightening my life! Rest in eternal peace dear lady.
