“ I have known Mary all of my life, as she was a friend of my Mother's. (Margie Sell). They worked at Mountain Bell together for many years. (The Glendive office closed in 1982)  
We went to Fort Peck with her & January one time. It is a very good memory for me!  
Mary was one of the nicest people that I have ever known.  
I could always count on her to make me smile when I went grocery shopping.  
She will be (and is) missed.  
Maybe she's drinking coffee with my Mother in heaven. (A nice thought).  
My sympathies to January, Jodi, and Mary's grandchildren.  
It's a hard thing to lose your Mother.

“ My favorite Auntie ..... I sit here thinking...”I hope she knew how blessed I felt to have her in my life and I wish I would have told her.” I wasn’t an easy child to love...I was wild and messy and always into something that I shouldn’t have been. Yet my aunt Teensie always welcomed me into her home with a smile and a, “well hello Feather.” I can almost smell her making my favorite dish...(chicken and dumplings) and see her sitting in her spot at the table. Many times she was the first thing I thought about when we pulled into town and I’d beg my mom to stop at Reynolds so I could see if she was working and say hi. Heaven gained a Gem with a wicked sense of humor. You were loved and you will be missed aunt Teensie. Thank you for helping to lay the foundation of my self esteem. Part of why I know I am worthy of being loved is because you loved me. Until we meet again...
