

Maxine M. Erickson

May 29, 1928 - December 25, 2022

Maxine M. Erickson was born in Glendive on May 29, 1928, the second of five children to Margaret (Seeberger) and Max Feisthamel. She grew up in Glendive and graduated from Dawson County High School. Close friends since elementary school, Maxine and Leroy Erickson married in 1949 and raised four children together.

Maxine worked a variety of jobs as a teenager, and in her adult years held a series of accounting and finance positions for Montana Dakota Utilities, Royal Neighbors of America, MDU Employees Federal Credit Union, Goodyear Store, and First Security Bank.

In her personal life she distinguished herself as a great cook and baker, accomplished at sewing, crochet and quilting.

Maxine also enjoyed reading, card games and later in life, exploring the internet.

Maxine and Leroy were committed supporters of their community and gave generously of their time, effort and possessions. As a member of the Glendive Hospital (Medical Center) Auxiliary, Maxine did volunteer work for over thirty years at the hospital and the hospital-affiliated thrift shop, The Attic. Maxine made countless stuffed animals, pillows and small quilts to be given to children at the hospital. She supported Leroy in his work as a city councilman and member of the hospital board of directors.

Maxine was a good example and firm advocate for women's equality in the home and the workplace. She asked little of the world and gave back much

more.

Maxine is survived by her children Jim (Rose), Bill (Sally), Tom (Cindy), five grandchildren, eleven great grandchildren, two step-grandchildren, one step-great grandchild, and her sister Bonnie Broeder. She was preceded in death by her husband Leroy, daughter Patti, brother Bob Feisthamel, and sisters Pat Baker and Annette Haggerty.

At Maxine's request, there will be no funeral or memorial service. Interment will be at Dawson Memorial Cemetery. Remembrances can be made to Holy Rosary Healthcare Foundation (Miles City), Glendive Medical Center Foundation or any charitable organization promoting heart and lung health.
