She was raised and educated through the eighth grade in Kalispell. Throughout her life she lived in Kalispell, Lewistown, Montana and finally Glendive for the past nine years where she has resided since. Norma loved going out to eat at McDonald's and Hardees restaurants. She enjoyed taking drives out to Intake and long drives in the country. Visiting with her friends on trips to Makoshika Park was something else she really enjoyed. Norma was very meticulous about her appearance; she always had on her dark pink lipstick. Norma was never seen without her best friends; Pinky, Trembles and Bugs. She had a very delightful sense of humor and was a joy to be around. Over the years, Norma made friends with the people that helped take care of her and she became close to those. She would never call any of them by their given names it would be a name that she came up with on her own. She was preceded in death by her parents. Norma is survived by her four brothers; four

sisters; numerous friends and family at the AWARE group home and in the community. Remembrances and condolences may be shared with the family at: [www.silvernale-silhafuneralhome.com](http://www.silvernale-silhafuneralhome.com).
